WELCOME TO AARHUS, THE CITY OF SMILES

The 32nd Nordic Rheology conference will take place at Aarhus University, Denmark, and is organised by the Department of Food Science and supported by the Nordic Rheology Society.

The scientific program of the conference will cover all aspects of rheology, but aims particularly at combining soft matter science and food rheology.

REGISTRATION

Early bird registration: February 15 2023

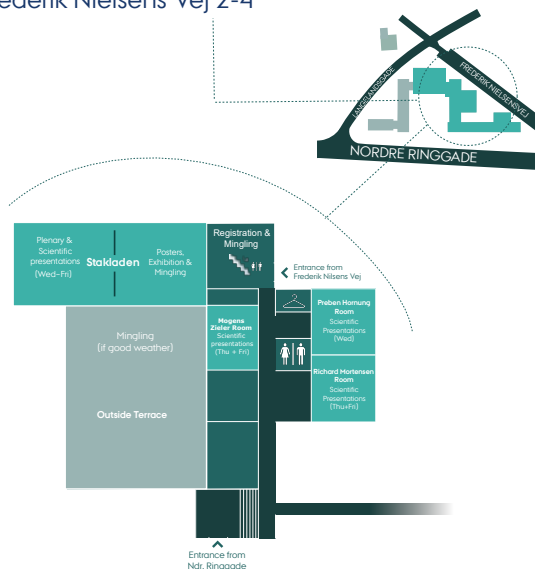

Final registration: March 20 2023
